INTERIOR PANEL & BIFOLD DOORS

As life goes through your home, you need the right doors to be part of it. Our interior panel and bifold doors are created with the same level of care and craftsmanship that goes into every other Simpson door. The inside of your home has to feel just right, and we'll help you create that special atmosphere.

GLASS OPTIONS

Pick the tempered glass or resin panel (interior doors only) that is right for you. You may feel that an abundance of natural light is the way to go, or a better fit may be glass with greater privacy. Just keep in mind that we have an option that suits your style (number on glass refers to the privacy rating).

MDF INTERIOR DOORS

Here's the inside story on these interior doors. They are made from a highly refined MDF, which is a stable and abundant wood fiber material. This blend of modern materials and technology delivers architecturally-true, primed and ready-to-paint doors to fit any interior style. And with four distinct construction methods, there is a stylish solution for any budget.
